

Text Message Ideas:

Ideas for text messages and use the social media memes for the picture or use pictures of yourself and the team or pictures of products from your last distribution. You can also get testimonials from past customers to share with your post. You can change the wording to fit the program you are participating in. You have a responsibility to use text message marketing ethically by:

- Being considerate of your customers' time
- Consider your customers' privacy
- Be sure your customers have agreed to receive SMS marketing messages from you
- Make the value of the messages clear
